ORGANIZATION

OUTLINE:

- I. A quotation from Lenin is presented in which the need for organization is emphasized.
- II. Problems of Party organization are discussed with reference to a successful organization.
- III. It is pointed out that the Communist Party is subversive because of its methods of completing the following organizational tasks by:
 1. Adapting the organizational work to the Party and tactical line;
 2. Providing leadership; and,
 3. Selection and training of cadres.
- IV. Actual quotations concerning the following are presented:-
The Party versus Government; The Party and Its Instructions; The Party and Foreign Policy; and, The Party and Peoples' Democracies. These quotations set forth Party policy on the above subjects.
